

HESCO Whole Grain Amaranth

(PRODUCT SPECIFICATION)

Hesco Whole Grain Amaranth is clean, uniformly dried amaranth grain that is not adulterated or misbranded within the meaning of the US Federal Food, Drug and Cosmetic Act and conforms with current EPA Pesticide regulation limits as enforced by the US Federal Food and Drug Administration. Amaranth has a nutty flavor and high in protein value compared to other grains.

Hesco Whole Grain Amaranth is available in 50 lb paper bags or tote bags.
